Biscoff[®] Sheet Cake

Biscoff® sheet cake

A square piece of Biscoff cake, is the perfect treat for every cup of coffee.

SERVINGS 12-14 servings

INGREDIENTS

Cake:

320 g light brown sugar
3 eggs at room temperature
210 g **Biscoff spread**
170 g yogurt room temperature
180 ml vegetable oil
3 tsp vanilla extract
3/4 tsp salt
300 grams all-purpose flour
1,5 tsp baking powder
1/3 tsp baking soda

Decoration:

450 g **Biscoff spread**
75 g **Biscoff cookie crumbs**
40 g white chocolate (finely chopped)
14 **Biscoff cookies**

PREPARATION

1. Preheat the oven to 175°C (350°F). Grease and line the cake pan with baking paper.
2. Whisk the sugar with the eggs for 1 minute until it becomes fluffy.
3. Whisk in your Biscoff spread. Optionally, let the Biscoff spread melt for 15 seconds in the microwave first.
4. Add the yogurt, oil, vanilla extract and salt and whisk once more until smooth.
5. Now change to the paddle attachment of the stand mixer and sift in the flour, baking powder, baking soda, and spices and mix until smooth.
6. Pour the mixture into your baking pan and bake for 30-35 minutes. A toothpick inserted in the middle should come out clean.
7. Let it cool in the pan for 20 minutes then remove it and let it cool completely on a wire rack.
8. Once completely cooled, you can spread the Biscoff spread with a spatula. If you want, you can make a nice swirl pattern.
9. Then sprinkle the Biscoff cookie crumbs and some chopped white chocolate over it.
10. Cut the cheesecake into squared pieces and top each piece off with a Biscoff cookie.
